<b>Facility Information:</b>	Facility has been remodeled and began providing services in April 2009. It is approximately 1,875 sq. ft in a commercial building. The building is separate from the parent organization, which provides services to victims of sexual assault and domestic violence. It is part of a larger complex of commercial buildings. It is handicap accessible and is provided to the Eastland County Children's Advocacy Center as part of the in-kind match. Plans are being developed to remodel the facility to include a reception area, an interview room, waiting area, therapy room, observation room, MDT conference room, and two restrooms.
