Facility Information: Our primary facility is a two-story, 30,000 square foot building constructed in 2008. All administrative offices are housed downstairs and all client services are provided upstairs. We also have a 10,000 square foot training facility that was renovated in 2008. Both buildings are monitored by surveillance cameras and access is restricted by an access control system. We are located in East Central Austin with close proximity to major highways. In 2010, our agency partners will be co-located with us in a building about one hundred yards away.
